## Per Scholas Guidelines and Policies

All learners are expected to adhere to the following guidelines and policies:

### Attendance Policy [In-Person/Hybrid/Remote]

Attendance is imperative in order to maintain academic requirements and successfully complete this course.

- Learners are expected to arrive on time and be ready to begin class promptly. This applies to all types of courses, whether on-premise, remote, and/or hybrid.
- Learners are expected to attend class for the full day whether on-premise, remote, and/or hybrid courses.
- If a learner foresees challenges with arriving to class before the start of training, they must email or call a site staff member if they are going to be late or absent.
- Anyone entering the classroom *after the designated start time or leaving class early* will be recorded as late. Individuals will also be recorded as late if they return from breaks and/or lunches after the return time designated by the instructor.
- Individuals will be recorded as tardy or absent if they do not arrive to class as scheduled.
- Communicating to a site staff member that you will be tardy or absent **does not excuse the tardy or absence**. This is what the allotted tardies and absences are for.
- Learners should not be working, driving, or otherwise distracted and unable to fully participate in the class.
- The below chart outlines the allotted absences and/or tardies for classes that follow our typical schedules, and is based on the length of the class:
- **Missing 50% or more of the scheduled daily class time will result in an absence. Missing less than 50% of the scheduled daily class time will result in tardiness.**

Class Duration	Allotted Absences	Allotted Tardies
18+ weeks	4 days	5 tardies
15 - 17 weeks	3 days	4 tardies
12 - 14 weeks	2 days	3 tardies
Less than 12 weeks	1 day	2 tardies

Learner's time and attendance will be monitored by the Instructor and Professional Development Coach. Once a learner has one remaining late or absence, the learner will be issued a written warning via email that outlines their current attendance status based on the above chart. Additionally, once they've accumulated the allotted number of tardies or absences, they will be placed on probation for attendance and reminded that if they are absent or tardy again they may be dismissed from training.

### Attendance Policy Exceptions [In-Person/Hybrid/Remote]

While the attendance policy is designed to ensure learners have intentional access to instruction and hands on learning opportunities, there are four exceptions to the attendance policy. Learners will be provided bereavement, civic time, immigration or public benefit appointment, and military service time off; this missed time will not count against the allocated absence/tardy for the course. It is imperative for learners to be proactive in communicating known absences as soon as possible to their instructor and coordinate with instructional staff to determine a suitable plan that ensures the completion of any necessary coursework. Learners are not absolved to complete their coursework should any request be made and approved.

- **Bereavement Leave:** Learners are permitted bereavement leave for the death of an immediate family member. Learners will receive up to 3 days without attendance penalty. Members of immediate family include: spouses, domestic partners, parents, brothers and sisters, children, children of domestic partners, grandchildren, grandparents, parents-in-law and parents of domestic partners. Learners must inform their instructor if they will be absent, and complete all missed work within 1 week of returning to the classroom. If a learner's leave extends more than the allotted days, they may be asked to withdraw and will have the opportunity to re-apply for consideration in a future class.
- **Civic Time Off:** Learners will receive a ½ day to participate in any municipal, county, state or federal election, general primary or special primary without an attendance penalty. Learners must inform their instructor they will be absent, provide documentation, and complete any missed work by the close of the instructional week. In addition, if a learner is summoned for jury duty, they will receive time off to participate in the jury selection process without attendance penalty. Learners must inform their instructor of the summons, provide documentation and complete any missed work by the close of the instructional week. If a learner is selected for a jury, they will be asked to withdraw and will have the opportunity to reapply for consideration in a future class.
- **Immigration and Public Benefit Required Appointments:** Learners can receive a ½ day excused tardy per month to attend a required immigration or public benefit related appointments without an attendance penalty. To facilitate this process, learners must notify their instructors in writing at least 48 hours in advance of the anticipated meeting date.. Instructors will provide access to missed instruction and all assignments during the time of excused absences. Learners are required to complete all missed work within 48 hours.
- **Military Service Requirements:** Guard and reserve obligations may impact attendance. Learners are granted excused absences, allowing 1 day a month to fulfill weekend guard and reserve obligations. Additionally, any supplementary time required to meet these obligations will be assessed case-by-case. To facilitate this process, learners must notify their instructors in writing at least 48 hours in advance of any anticipated absences. Instructors will provide access to missed instruction and all assignments during the time of excused absences.

### Military Service

Members of the Armed Forces enrolled at Per Scholas may be readmitted under conditions where they are temporarily unavailable or need to suspend enrollment due to their service commitments. If a learner has to withdraw prior to successfully completing their course, they will have the opportunity to re-apply for consideration in a future class.
