8.2.4 Use the Azure Interface

Candidate: Deepa Ponnusamy ()
Time Spent: 13:51

Score: 100%

Task Summary

Required Actions

✔ Configure the project details for the resource group   **Hide Details**

   ✔ Subscription: CorpNet Production
   ✔ Resource group name: CorpNetCloud

✔ Configure the resource details for the resource group

Explanation

Complete this lab as follows:

1. Access the Azure portal.
   a. From the taskbar, select **Google Chrome**.
   b. In the browser's address field, type **https://portal.azure.com** and press **Enter**.
   c. Maximize the window for better viewing.

2. Create a resource group.
   a. Under *Navigate*, select **Resource groups**.
   b. From the *Resource groups* menu bar, select **Create**.
   c. Configure the *Project details* as follows:

   ▪ Subscription: **CorpNet Production**
   ▪ Resource group (type in manually): **CorpNetCloud**
   ▪ Resource details: **(US) West US2**

   d. From the bottom menu bar, select **Review + create** to validate the configuration.
   e. Select **Create**.
   f. From the Resource groups page, select **CorpNetCloud**.
   g. Review the options of the created resource group.
